OUR PRODUCT

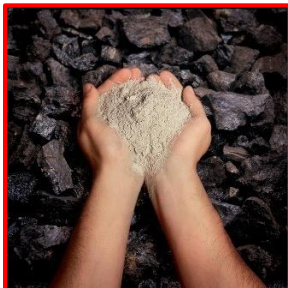

1. **CEMENT** :- LDIPL is a distributor of 5 leading cement brands. We have dealership for Ultratech Cement, ACC Cement, Birla Shakti, JSW Cement, Wonder Cement. We provide loose cement in bulkers directly on-site. We also supply the cement to retailers.

2. **AAC BLOCKS** :- LDIPL is distributor of Autoclaved aerated concrete (AAC) block. These blocks are lightweight, energy-efficient, fire-resistant and an excellent thermal insulator. The blocks are extremely lightweight and thus suitable for internal as well as external construction.

3. **FLY ASH**

4. BAG / BUCKET CONCRETE

5. **ADMIXTURE** :- Admixtures are artificial or natural materials added to the concrete besides cement, water and aggregate to improve certain property of concrete during casting or setting or service stage.

We are working with brands- Wizplast, Fairmate, Add Chem, Asian Paint, CWC

6. GGBS (Ground Granulated Blast-furnace Slag) :- GGBS is a cementitious material whose main use is in concrete and is a by-product from the blast-furnaces used to make iron.

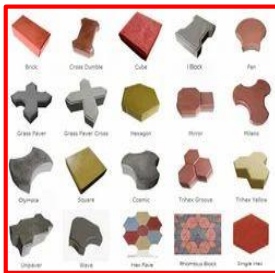

GGBS can be used in :- i) Concrete roads and flyovers, ii) Effluent treatment plant, iii) Dams, iv) Marine works, v) Pile / Foundation construction, vi) Residential, commercial and Industrial complex, vii) Water retaining structures, viii) Precast concrete construction, ix) Soil stabilization

7. CRUSHED SAND& WASHED SAND

8. PAVER BLOCK & STAMPED CONCRETE

9. READY MIX PLASTER :- Ready mix plaster is a blend of cement and fine graded sand mixed with polymer additives in right proportions and available in a ready to use form.

10. WALL PUTTY

11. GLASS FIBER

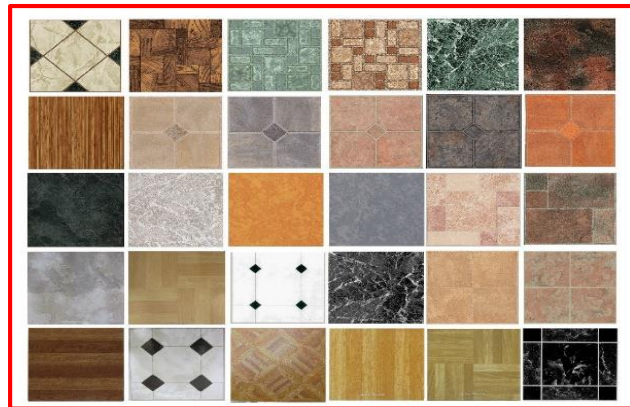

12. SHUTTERING MATERIALS :- We are involved in supplying a wide range of formwork material. Our offered shuttering material includes Aluminum Framework, Shuttering Plate, Adjustable Props, Shuttering Tie Rod, Anchor Nut, Shuttering Wing Nut, Shuttering Water Stopper, Shuttering Wedge Pin, Shuttering Clamp/ Shikanja and Rebar Cap.

13. STEEL

14. TILES

15. READY-MIX CONCRETE :- Ready-mix concrete (RMC) is concrete that is manufactured in a batch plant, according to each specific job requirement, then delivered to the job site "ready to use".

Available RMC Grade :- Grade M10 to Grade M80
